

2020 Trading Cup Terms and Conditions

- The 2020 Trading Cup is divided into six qualifying stages and one live competition event night. The qualifying stages get started from the 1st June 2020 to 30th November 2020. **Grand Final Night** will be hosted in January 2021.
- The final ranking of each stage is settled by the % Gain, which is calculated using the following formula: $(\text{Equity} / \text{Total Deposit} - 1) * 100\%$.
- The 2020 Trading Cup leader board will be updated at <https://www.tradingcup.com/en> on a daily basis during the contest period.
- The contest account type is the [zeroECN account](#). Commissions on this account are \$3 per lot per side (\$6 round trip), and the commissions generated in your trading will go towards the total prize pool.
- The total prize pool is with a minimum of \$USD150,000, including a total of \$USD10,000 for each qualifying stage and a total of \$USD90,000 for the Grand Final Night. In Grand Final Night, the Champion, the second place and the third place will receive prizes that are allocated in ratio 70:20:10 accordingly. If the commission accumulated from the whole tournament is more than the \$150,000 minimum, then the total prize pool will increase accordingly.
- The principal and profit can be withdrawn at the end of each stage without any restrictions.
- All prizes will be deposited into a new “Competition Bonus” account and issued to you within 15 working days after the end of the “**Grand Final Night**”.
- After the end of each stage, the account will be automatically converted to a standard zeroECN trading account.
- All traders can participate in The 2020 Trading Cup.
- All prizes come with terms and conditions. Please read the full withdrawal condition in more details below.
- Trading volume in the 2020 Trading Cup does not contribute to any other ACY Securities’ promotion, events or rebates.
